2003 – 2009

Kooperative Gesamtschule Leeste

Degree: Intermediate school-leaving certificate

2009 – 2010

Berufsbildende Schule Syke

Einjährige Berufsfachschule Informatik
(One-year Computer Science School)

2010 – 2013

Berufsbildende Schule Syke

Berufliches Gymnasium Elektrotechnik

Degree: General qualification for university entrance (GPA 2.8)

2013 – 2017

Hochschule Osnabrück

Informatik – Medieninformatik

Degree: Bachelor of Science (B.Sc.) (GPA 1.92)

2017 – 2020

Westfälische Hochschule

Master – Medieninformatik

Prospective Degree: Master of Science (M.Sc.)
(GPA ~1.27)

Thesis: „Visual Cues: Integration of object pose recognition with an augmented reality system as means to support visual perception in human-robot control“

Work

2018 – 2020

Master Research Student

Human-computer Interaction Group –
Westfälische Hochschule (<https://hci.w-hs.de>)

Field: Augmented-Reality, Human-robot
Interaction and Pose Recognition

Knowledge and Abilities

Foreign languages

English very well spoken and written

Computer-Expertise's

C, C# in Unity (very good)

C++, Java, Python (good)

JavaScript/HTML/CSS, Prolog (basics)

Hobbies

Bouldering (Climbing)

Drawing

Gaming

Reading
